Stephen Ministry Notes

We here at Chestnut Street United Methodist Church have recently started a new training class for Stephen ministers. This system of training lay persons for a caring ministry was developed by Stephen Ministries.

Over the next few months our Stephen ministers will receive extensive training in Christian caring skills. Some of the areas they will cover in the training sequence include listening effectively, dealing with feelings, confidentiality, using the resources of Christianity, being assertive, and a number of topics dealing with specific life situations. Throughout the training, the theology of caring for the whole person will be emphasized.

The people who are attending this Stephen ministry class are: Lawton Baker, Jon Everson, Garry Kennedy, and Rosemary Long. Please keep them in your thoughts and prayers as they receive this training for caring ministry.

for the monthly *Nutshell* is Tuesday, February 23.

Thank you: A special thank you to our Chestnut Street UMC Teen Angels for remembering us with their valentines.
